EMIGRANTS IN DISTRESS.

There is a movement on foot at Valdosta, Ga., to bring back from Liberia the Irwin county negroes who last Febuary emigrated to that country. The predicament of these negroes was describ-ed in a letter from the United States minister resident and consul general at minister resident and consul general at Monrovia, to John Hay, Secretary of State, Washington, D. C., and transmitted by him to Congressman Brantley, of Georgia. The report of Minister Lyons to Secretary Hay is as follows:

"I have to inform you that in the month of February of the present year a

party of fifty-six colored persons, con-sisting of males and females and chil-dren, left Irwin county, Ga., as immigrants for Monrovia, Liberia, under the leadership of one B. J. Scott. On their arrival the Liberian government did its best to assist them in overcoming the rigor of the climate and in supplying them with food until the land which had been given them could produce some-thing for their sustenance. Since ther, however, twenty of the number have died at Cheesemanburg, the place assigned them by the governmen'. For the lack of homes they were all put in a house of two rooms, where they died one after the other, from the want of food and medicine. Thirty-six of this number still remain in a sickly and destitute condition. Sixteen are still at Cheesemanburg. Twenty-two have returned to Monrovia; these are ragged, starving, and homeless. Five of them will return to the United States by the first English steamer to Liverpool on or about the 1st of October, 1903, their transportation having been arranged by friends in the United States. There being no provision for relief in cases of this kind, we had to help them from our private purse. We soon, however, discovered that we could not give much charity to twenty-two persons for any length of time, as food is scarce and the prices are enormous. Owing, your excellency, to the agitation now going on in the United States on the subject of negro emigration to Liberia by irresponsible persons whose literature has wide circulation among the innocent and poorer class of negroes, the question be-comes one of gravity for the consideration of both governments." ## A Remarkable Case,

A Remarkable Case.

One of the most remarkable cases of a cold, deep-scated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and reof this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength."
